SALES ORDER BOOK ANNOUNCEMENT

Our Group of companies, with operations in Singapore, the Middle East, Malaysia and the People's Republic of China serves the needs of international exhibitions, events, interior architectures and themed attractions.

The Group's sales order book as at 27th March 2009 stands at S\$77 million. This compares with S\$52 million which was last announced in January 2009.

In the Middle East, the Group had been awarded the contract to provide event logistics for the Formula 1 Gulf Air Bahrain Grand Prix 2009. Other noteworthy contracts include the Qatar Career Fair in Doha in April 2009 and for the Oman Ministry of Tourism at the Geneva Festival in July - August 2009.

In Singapore, we were recently awarded another contract to build an additional attraction called "Battlestar Galactica" at Universal Studios Singapore. The theme park is scheduled for completion by the end of this year. This attributes to the current total contracts' value of S\$43 million from Resorts World at Sentosa.
